

Earth Temple sponsors successful program, Project Ho, Ho, Ho

During this past holiday season Earth Temple Inc., along with other organizations, sponsored events that put the words "love" and "compassion" into action.

As part of the annual Project Ho, Ho, Ho, the organization brought many smiles and unique experiences to the lives of children in Columbus. For the 13th year, toys were given, limousine rides were provided and children were taken to the friendly skies with group plane rides.

This event, which was held at the St. Paul A.M.E. Church, 639 E. Long St., provided what some described as a great experience to more than 700 children. In addition to this

provide a summer program for youth under the title Kid Captain, a summer boating program. This will be the third year for the event and it will take place the first Saturdays of June, July and August, at the Inner City Yacht Club in Cleveland.

The Inner City Yacht Club is the only Black yacht club with its own marina and fleet, and houses two boats for the Earth Temple organization.

Organizers and Hodge are very excited about what the future holds for the organization and the community. For more information call (614) 231-5595 or (216) 906-9444, or log on to Godbrother.com or earthtemple.net.

Pilot Phil Yoder stands with Project Ho, Ho, Ho participants Manya Tinsley and children Brandon and Riaza.

These little ladies, give great big smile as they stand with pilots and volunteers, anticipating taking their first ride in a plane.

Pilots Keith Edwards, John Parsio and Rich Tessler each took part in the Project Ho, Ho, Ho activities for the community.
